

## Material Needs Grants

Material Needs Grants, funded by an anonymous donor, support the expenses of supplies and materials for the creation of new art in Worcester County. With this gift, ArtsWorcester is able to distribute grants to local artists between \$500 and \$1,500. Artists who receive the Material Needs Grant in 2022 will exhibit their work in a group show in 2023.

**When is the deadline?** Midnight on Friday, January 6, 2022. Submissions received after this date and time will not be considered.

**What expenses could be covered by a Material Needs Grant?** These grants are restricted to expenses for the supplies, material, and equipment (purchased or rented) needed to make new art. Proposals for any and all kinds of visual art are welcome, including but not limited to painting, photography, fiber, ceramics, sculpture, new media, and performance art.

**What expenses are not covered?** Examples of expenses not covered would be studio rental, framing, publicity and promotional costs, reception expenses, insurance or transport of artwork. Any questions about what may or may not be covered by the grant can be sent to [alice@artsworcester.org](mailto:alice@artsworcester.org).

**How are proposals evaluated?** Proposals are considered for their novelty, innovation, potential impact (on the viewer, on your career, and on other artists in the area), and feasibility. Can you do it? And can you do it in one calendar year?

**Who is eligible?** You must have held ArtsWorcester membership for at least one calendar year immediately prior to applying for a Material Needs Grant, and you must reside in Worcester County. We regret that members residing outside of Worcester County are not eligible. If you have previously received a Material Needs Grant, you must wait three years from the previous application date before applying again.

**How do I submit?** All submissions must be made online through this Submittable form:

**When will I find out if I have received a grant?** Notifications will be made by mid-February, 2022.

**And then I just make the art?** Yes—and awardees receiving grants made in 2022 should expect to have works completed with their funds exhibited in the fall of 2023. \*

*\*Exhibition dates are subject to change*

**Please continue for an application checklist.**
